

JULIA STACK

Medical Illustrator

EXPERIENCE

2006 – Present

Independent Medical Illustrator and Animation Consultant
Board Certified Medical Illustrator (CMI). Contributes to medical and scientific understanding through visually creative projects. Works in a variety of media and topics from pharmaceutical to medical devices. Professional member of the Association of Medical Illustrators.

2012 – 2013

S4 NetQuest – Columbus, OH
Medical illustrator and business development agent for a learning services firm. Specialized in the creation of training and educational services for Top 20 Companies such as Biomet and Abbott Labs.

2009 – 2011

Eveo Communication Group and EvLab Inc. – San Francisco, CA
Visual Science Specialist for a digital pharmaceutical media agency. Developed science visuals for engaging animations, videos, interactive media, print pieces, websites, and apps. Interacted with teams in content, creative, QA, and clients. Responsible for insuring scientific accuracy during development, production, review, and regulatory FDA submissions.

2007 – 2008

University of Illinois at Chicago – Chicago, IL
Graduate Teaching Assistant for biology and anatomy departments. Instructed undergraduate level microbiology laboratory sessions and graduate level gross anatomy course.

2004 – 2007

Fred Meyer Pharmacy – Juneau, AK
Retail Pharmacy Technician. Connected with customer's needs and concerns for accurately prepared prescriptions. Tended to problems with insurance and billing.

GRADUATE INTERSHIPS

2008

Hansen Medical Inc. – Mountain View, CA
Graphic Design and Marketing Internship at a medical device company. Created promotional 3-D animations of the medical product, designed logos, and edited video. Collaborated with clinical and engineering departments to insure accuracy.

2007

Denoyer-Geppert Science Co. – Skokie, IL
Medical Modeling Internship at an anatomical modeling company. Brainstormed and sketched innovative product concepts for physical 3-D models.
